

AcrySTEEL® TEN-YEAR LIMITED EXTERIOR WARRANTY

Effective Date: November 18, 2020

Aristech Surfaces LLC ("Aristech") warrants for a period of 10 years from the date of original purchase from Aristech Acrylics®, colorless, smooth Aristech Acrylics® Acrysteel® IGP and IMA Acrylic Sheet will be free from manufacturing defects and the color will not increase in yellowness more than (5) yellowness index units due to exposure to outdoor weathering.

If Aristech Acrylics® Acrysteel® IGP or IMA Sheet shows an increase in yellowness from outdoor exposure of more than (5) yellowness index units per Aristech Acrylics® test procedure TP-0087 and ASTM D-1925-70 within ten (10) years from the date of purchase, Aristech will, at its option and sole discretion, either provide a replacement flat Aristech Acrylics® Acrysteel® IGP or IMA Acrylic Sheet or refund the original purchase price, provided Aristech has been given a reasonable opportunity to examine the alleged failed sheet in place and provided further the failed sheet, and the original sales receipt and this Limited Warranty are returned to Aristech.

Determination of yellowness index under this Limited Warranty will be made on samples subjected to pre-test cleaning and conditioning according to Aristech Acrylics® test procedure TP-0087** and yellowness index shall be determined according to ASTM D-1925-70 (reapproved 1988) as measured with an approved color Spectrophotometer (i.e., ACS SpectroSensor II or Hunter Color-Quest). Materials exposed to outdoor weathering are subject to disposition of atmospheric elements and can be expected to show signs of hazing, which is normal wear and not covered by and specifically excluded by this Limited Warranty.

This Limited Warranty applies only to sheets formed, fabricated, decorated, thermoformed and/or cleaned according to Aristech Acrylics® recommendations and which have not been moved from their original place of installation. This Limited Warranty does not cover (re)installation or fabrication expenses or any other direct or indirect losses which may result from the sheet failure. This Limited Warranty specifically excludes colors and tints since the evaluation criteria are not pertinent.
