

## “Conflict Minerals” for Aristech Surfaces LLC Products March 4, 2019

At Aristech Surfaces LLC, we are committed to the safety and health of our employees, contractors, customers, and neighbors; and to the sustainability and the protection of the environment. We endeavor to employ relevant practices that reduce our environmental footprint while promoting an environmentally responsible culture with employees and suppliers alike.

Aristech Surfaces LLC has thoroughly investigated all the ingredients used in the manufacture of its Aristech Acrylics® acrylic sheet, Avonite Surfaces® acrylic solid surface and STUDIO Collection® design resin. The purpose of this communication is to inform our customers that Aristech Surfaces LLC does not use any of the metals Tantalum, Tin, Tungsten, or Gold (the “Conflict Minerals”) in its acrylic, acrylic solid surface, and design resin sheet products.
